# Akita

*This striking working breed originated from the province of Akita in Japan and dates to the 1600s when, legend says, it was bred to hunt the Yezo bear which overran a small island there. Later given to the Emperor, the breed became a symbol of good luck throughout Japanese culture. Known for being alert, loyal and fearless, they are excellent watchdogs.*

# German Shepherd

*The German Shepherd is one of the most versatile and well-recognized dog breeds in the world. German Shepherds were originally used as herders and to guard flocks against predators, both being jobs they are well suited for. Uses for the German Shepherds today are K9 police dogs, military, service dogs, and, of course, they are still awesome herding dogs!*

# Greater Swiss Mountain Dog

*There are several theories surrounding the origin of this breed. The most popular theory posits that they are descendants of the Molosser, a popular war dog for ancient armies, and it's theorized that they were brought into the Alps more than 2,000 years ago when the Roman Legions invaded. They are also closely related to the Bernese Mountain Dog.*

# Poodle

Although the Poodle is the national dog of France, they actually originated in Germany over 400 years ago where they were commonly used as a duck hunter. Their curly coat protected them from the elements and they were bred for their excellent swimming skills, high intelligence, and incredible retrieval skills.
