Akita

This striking working breed originated from the province of Akita in Japan and dates to the 1600s when, legend says, it was bred to hunt the Yezo bear which overran a small island there. Later given to the Emperor, the breed became a symbol of good luck throughout Japanese culture. Known for being alert, loyal and fearless, they are excellent watchdogs.

Dachshund

The Dachshund, sometimes affectionately referred to as a “wiener dog”, “hot dog”, “sausage dog”, and “Doxie”, is known for its long body and short legs. They were originally bred to be an independent hunter of badgers and other dangerous prey. Packs of them were used to chase and hunt down wild boar. The Dachshund originated in Germany and means “badger dog” in German.

French Bulldog

This adorable dog breed, which has always been meant to be a companion, started as a miniature version of the English bulldog that accompanied lace workers across the English Channel to France during the Industrial Revolution. The successful crossbreeding of the English Bulldog, the Pug, and the Terrier led to the creation of the modern-day Frenchie.

Goldendoodle

The Goldendoodle is a cross between a Golden Retriever and a Standard Poodle, a Goldendoodle and one of the original parent breeds, or two Goldendoodles. The Goldendoodle originated in the 1990s in North America and Australia, although it was first bred in 1969. Although they are not recognized by the American Kennel Club, they are recognized by other notable canine registries and clubs.

Havanese

The Havanese, once referred to as the Havana Silk Dog and the Spanish Silk Poodle, originated in Cuba and is part of the ancient Bichon family. Havanese were not working dogs, but were valued lapdogs of Cuba's wealthy planters and aristocrats. They were named for Havana, the capital city of Cuba. The American Kennel Club recognized the Havanese in 1996 as part of the Toy Group.

Rottweiler

The modern Rottweiler originated in Germany where they initially worked as cattle drovers to assist in keeping herds under control and guarding them against predators. Although their ancestors can be traced back as hard as the Roman Empire, the breed has changed little since 1901 when the first German breed standard was drawn up.

Siberian Husky

The Siberian Husky is a Spitz breed with origins in Northern Siberia (Russia). The working class Siberian Husky, along with the Samoyed and the Alaskan Malamute are descendants of the original sled dog, the Eskimo dog (Qimmiq). Originally, the Siberian Husky was used to pull heavy sled loads by the Chukchi people of northern Siberia.
